There are no communications, transportation, or road building subsections in the raion-level MVD in Irshava. Secret mail must be dispatched to the communications subsection of the neighboring raion MVD in the town of Berehovo (48°12'N, 22°40'E).
4. Investigative and Tracing Activities of the Irshava Raion MVD:

The main function of the local MVD militia is the preservation of law and order. In criminal investigation cases, the militia men merely make out the preliminary report. The actual investigation and even the preliminary investigation immediately become the responsibility of the Criminal Investigation Subsection under Tsherakchev. On the other hand, the investigation of political crimes is the responsibility of the Subsection for Combat against Banditry under Kovalenko. The latter turns over the actual investigation to his two operational assistants. The primary assignments of this subsection are the following:

- a. Investigation of persons who fought against the incorporation of the Carpatho-Ukraine into the USSR.
- b. Detention and prosecution of persons intending or attempting to flee abroad.
- c. Resistance to the Bandera partisans.
